12. Superintendent's Report
13. Committee Reports
14. Village Clerk
15. Other business
16. Adjournment

The order of items on the agenda is subject to change as needed.

I have set up the April 6th Board Meeting through GoToMeeting. Below are the links to join. Although the option of joining with video is available, we noticed during a test run that there are delays in the audio as well as the video. If you have a smart phone, the best way to join the meeting is by downloading the GoToMeeting App and joining the meeting through there. Bruce, Travis, and myself will start the meeting early to make sure it is working, and to make sure everyone who wants to join is able to get on before 7 PM when the meeting begins. You may also join by calling on a landline. I believe Bruce, Jill, Andrew, and Mark have all said they will be there in person. Everyone will be emailed the board report information and anything being discussed so you have a hard copy in front of you.

Please let me know if you have any questions or concerns. I will still post the agenda on the door with a note stating if someone wants to be in the meeting, they can contact me through the village hall number for information to join. Let me know if I have missed anyone who should be invited.

Thanks! Everyone please stay safe and well!

Debbie

April 6, 2020 Board Meeting

Mon, Apr 6, 2020 7:00 PM - 8:00 PM (CDT)

Please join my meeting from your computer, tablet or smartphone.

Legacy Grain

Good morning,

Attached you will find an overhead view of the elevator with the road that we would like to acquire highlighted with a red line around it. We are going to purchase the building that the Nolen Plumbing business owns at the south end of the road which should end the need for any traffic to travel down that road in the future. We are likely going to add additional space down there in the future. We would like to be able to add larger diameter tanks and actually build on the existing road. I believe we could easily put 78 feet diameter tanks onto that property and leave an alley to the west side of the tanks for future access to the property.

If you have any questions either ahead of the meeting or the evening of the meeting please feel free to give me a call on my mobile phone. The number is 217-972-1736.

Thank you very much for your consideration

Kevin Walker
